L1	4192	continuous near5 (process or processing or processed or method or making or made or produce or production or producing) and (dry or dried or drying) near4 polymer and (amino or ammonium or spirobicyclic)	US-PGPUB; USPAT; USOCR; EPO; JPO; DERWENT; IBM_TDB	OR	ON	2005/06/29 14:26
L2	2338	continuous near5 (process or processing or processed or method or making or made or produce or production or producing) and (dry or dried or drying) near4 polymer and (amino or ammonium or spirobicyclic) and (gel or gelled or gelation or gelation)	US-PGPUB; USPAT; USOCR; EPO; JPO; DERWENT; IBM_TDB	OR	ON	2005/06/29 14:26
L3	1056	continuous near5 (process or processing or processed or method or making or made or produce or production or producing) and (dry or dried or drying) near4 polymer and (amino or ammonium or spirobicyclic) and (gel or gelled or gelation or gelation) and (injecting or inject or injected or injection)	US-PGPUB; USPAT; USOCR; EPO; JPO; DERWENT; IBM_TDB	OR	ON	2005/06/29 14:26
L4	117	continuous near5 (process or processing or processed or method or making or made or produce or production or producing) and (dry or dried or drying) near4 polymer and (amino or ammonium or spirobicyclic) and (gel or gelled or gelation or gelation) and (injecting or inject or injected or injection) near5 (gas or gaseous or vapor)	US-PGPUB; USPAT; USOCR; EPO; JPO; DERWENT; IBM_TDB	OR	ON	2005/06/29 14:27
L5	13	continuous near5 (process or processing or processed or method or making or made or produce or production or producing) and (dry or dried or drying) near4 polymer and (amino or ammonium or spirobicyclic) and (gel or gelled or gelation or gelation) and (injecting or inject or injected or injection) near5 (gas or gaseous or vapor) and fluidized near2 bed	US-PGPUB; USPAT; USOCR; EPO; JPO; DERWENT; IBM_TDB	OR	ON	2005/06/29 14:27

L6	13	continuous near5 (process or processing or processed or method or making or made or produce or production or producing) and (dry or dried or drying) near4 polymer and (amino or ammonium or spirobicyclic) and (gel or gelled or gelation or gelation) and (injecting or inject or injected or injection) near5 (gas or gaseous or vapor) and fluidized near2 bed	US-PGPUB; USPAT; USOCR; EPO; JPO; DERWENT; IBM_TDB	OR	ON	2005/06/29 14:58
L7	1	continuous near5 (process or processing or processed or method or making or made or produce or production or producing) and (dry or dried or drying) near4 polymer near10 (gel or gelled or gelation or gelation) and (injecting or inject or injected or injection) near5 (gas or gaseous or vapor) and fluidized near2 bed	US-PGPUB; USPAT; USOCR; EPO; JPO; DERWENT; IBM_TDB	OR	ON	2005/06/29 14:58
